Good afternoon,

July 8, 2024

The Port of Virginia is pleased to announce the Port of Virginia Marine Firefighting Command School on **October 14-18, 2024**. The focus of this training is to help Incident Commanders prepare for and manage incidents in the marine environment.

This course will provide command level training that will allow for sound decision making and take a more in-depth look at the training topics that are covered during the Hampton Roads Marine Firefighting School.

The primary target audience for this class is the officer level members from our Regional MIRT agencies. The pre-requisites for the course are:

- Must be an active member of your agency and responsible for response to maritime incidents
- Preferably Company Officer or above, however senior firefighters will be considered
- Any agency who has decision making authority during a marine fire

The course is scheduled to be a 5-day class with a 100-student limit. There is no registration fee. The class will be held at the **Virginia Beach Fire Training Center, 927 S. Birdneck Rd. Virginia Beach, VA.**

Lunch will be provided each day.

Registration: Please use the below link to register for this course.
